MN-16-10 Bit shank made of steel with magnet

Universal, steel bit shanks with magnetic mounting

Features & benefits

- Shank 1/4" allows you to use them with the majority of drills and drill-drivers available on the market.
- Steel cover increases damage resistance
- Strong internal magnet fastens bits and screws properly during work
- Long holders enable the tightening of screws in hard-to-reach areas.

Applications

- For holding bits during screwing in the screws
- Intended for use with a cordless drill and driver

Users

- DIY enthusiasts
- Joiners
- Fitters
- Mechanics
- Carpenters
