

MN-51-236 Open-end box wrench set 6 pcs

Set of 6 MaxxDrive open-end box wrenches of high grade Cr-V steel

Features & benefits

- High-quality chrome-vanadium steel ensures long service life and strength of the tool
- Manufactured in accordance with DIN 3113 which guarantees required workmanship of the product
- Satin and polished surface of the key protects it from corrosion
- Maxxdrive system ensures secure transfer of the maximum torque to the screw. It provides secure holding of removable components which facilitates unscrewing (tightening) of used nuts

Applications

- Designed for tightening and loosening of hexagonal screws and nuts
