

## MN-81-14 Measuring tapes Bigstop

### Retractable measuring tapes Big Stop equipped with tape releasing mechanism

#### Features & benefits

- The meter meets the EU requirements acc. to II class of precision (measurement error may be equal to +/-0.7mm per 2 m)
- Yellow steel tape is highly visible during measurements
- Two rivets fastening measuring catch connects them durably with the tape
- Special mechanisms releasing extension of the tape facilitating making measurements
- Wide tape ensures stiffness and therefore comfort of measurements on longer sections

#### Applications

- Retractable measuring tape is one of the most basic tools for each DIY enthusiast. Is irreplaceable for most construction and repair works

#### Users

- DIY enthusiasts
- Joiners
- Roofers
- Electricians
- Gypsum plasterers

#### Technical properties
