

MN-20-08 Straight pliers 1000V VDE

Insulated combination pliers 1000 V, made of Cr-V steel

Certificates (icon):

VDE

Features & benefits

- The pliers have insulated handles (certificate: VDE - IEC60900: 2018), protecting the user against electric shock up to 1000V
- Tools made of high quality chrome-vanadium steel provide their long service life
- Two-component ergonomic handle enables perfect adjustment of the tool to a hand, which makes the work much easier
- Special shape of jaws allows you to hold, cut and bend the processed material and to screw and unscrew nuts

Applications

- Intended for all types of industrial, workshop, assembly, electrical and maintenance works

Users

- Electricians
- Fitters
- DIY enthusiasts
- Mechanics
