

[English]: MN-90-222 młotowiertarka sds-plus 800W; 26 mm; 2,8 J, qcc

The 800 W rotary hammer will work in a wide range of applications including thanks to the removable drill chuck 1,5-13mm

Features & benefits

- Convenient chucks quick-replacement system allows you to use SDS-Plus and cylindrical drills
- Electro-pneumatic hammer ensures high power of drill and increases drilling speed
- SDS-Plus chuck is intended for using with drills and accessories dedicated for this system
- Keyless chuck 1-13 mm enables the use of cylindrical drills and their replacement without the need for tools
- The "click" system in the keyless chuck serves for firmer clamping of the cylindrical drill in the holder, and thus its effectiveness hold
- Four operation modes: drilling / drilling with hammer / preparing / rotation of chisel) ensure versatile use of the tool
- Function for unlocking of chisel position in the chuck allows you to adjust chisel operation angle
- Rotational speed adjustment allows the user to set parameters of operation appropriate to the work being performed
- Change of direction of revolutions from right to left facilitates removal of drill from material and enables extracting screws and bolts
- 3 meter cable guarantees operator freedom without the need to carry a power source
- Rubber cable insulation increases resistance to mechanical damages and therefore increases the service life
- A reach set of accessories enables a large variety of works to be carried out
- Carrying case enables easy transport of and provides convenient storage space for the tool and all its accessories
- Red Plug Service is a guarantee of quick repair of a damaged tool thanks to free shipping by courier from and to the customer

Applications

- Intended for drilling with impact in concrete (including reinforced concrete), brickwork, stones
- Intended for drilling without impact in metal, wood or plastics
- Intended for preparing

Equipment

- [English]: Szybkowymienny uchwyt wiertarski
- Depth limiter
- Side handle
- 2 chisels SDS-Plus
- 3 drill SDS-Plus
- Carrying case

Users

- Fitters
- Electricians
- Plumbers
- DIY enthusiasts
