

## MN-79-0 Multi-purpose mixing paddles

### Mixing paddles with a short spiral for liquid and loose construction materials

#### Features & benefits

- Universal mixing paddles with short wire allow the mixing of liquid and loose construction materials
- Thick bottom ring increases the resistance to abrasion and extends the service life of the mixing paddle
- Accurate large welds increase the resistance of the mixing paddle during work under high load
- Thick, folded wire does not buckle when mixing
- Different fastening systems allow you to use more machines such as drills, hammer drills SDS +, mixers with M14 threads
- Direction of mixing enables the accurate mixing of loose construction materials

#### Applications

- Intended for mixing liquid and bulk loose construction materials

#### Users

- DIY enthusiasts
- Bricklayers
- Gypsum plasterers
- Painters
- Tilers
