

MN-74-21 Welded triangular trowels

Triangular trowels, welded with ground blade and wooden handle

Features & benefits

- Handle is made of solid wood and enhances work comfort
- High-quality welds provide durability of connection between the handle and blade
- Tool is made of high quality carbon steel which provides long service life
- Ground blade prevents mortar from slipping and ensures elasticity

Applications

- Intended for applying and spreading adhesives and mortars

Users

- Bricklayers
- Tilers
- Masons
