

ADJUSTABLE RATCHET SPANNER

Handy spanner of extensive clamping range

▶ MN-53-130

- Intended for tightening/loosening bolts and nuts of up to 30 mm in size
- High material and finish quality
- Sturdy body
- Excellent value for money
- Indispensable to plumbers and installers

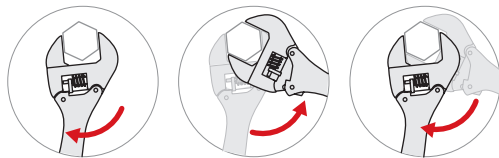

▶ FEATURES AND BENEFITS

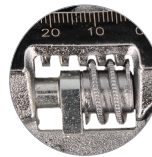

WIDE JAW WORKING RANGE from 0 to 30 mm, making the spanner versatile and highly functional.

HIGH QUALITY Cr-V STEEL ensuring high mechanical strength and durability of the spanner.

SPANNER RATCHET allows you to use the tool in one pre-set position, saving time by eliminating the need for removing and reattaching the spanner, which proves particularly useful in areas difficult to reach.

STEPLESS CLAMPING RANGE ADJUSTMENT between 0 and 30 mm, enabling fast jaw resetting and comfortable handling.

SPANNER VERSATILITY, making it suitable for a wide variety of plumbing, installation, mechanical and many other jobs.
