

MN-33-005 Hammer rubber pad

Rubber pad made of hard and durable black rubber for stoning hammers

Features & benefits

- Rubber pad for stoning hammers, due to its square shape, fits all Stonemason's hammers that have the standard size of the hammer head and weigh 1.5 kg
- It is made of hard and strong rubber, which makes it very durable

Applications

- Intended for tapping e.g. paving stone, granite cubes, kerbs etc. with the hammer

Users

- Road workers
- Masons
