

MN-45-109 Steel staple gun M53

Universal stapler M53, 4-14 mm with adjustable beating force and non-slip handle

Features & benefits

- Steel body ensures long service life of the tool
- Smooth adjustment of beating force allows you to adjust the beating force of staples, depending on their length and material hardness
- The view of the contents of staples allows you to control the quantity of staples in the cartridge without interrupting work
- A wide range from 4 to 14 mm allows you to combine materials of various thickness

Applications

- For quick joining of various materials, i.e. wood, fabrics, paper and foil

Users

- Joiners
- Roofers
- Gypsum plasterers
- Fitters
- DIY enthusiasts
