

R-BAT-07 Battery 7,2V Li-Ion for SC40II and WW90II

[English]: Akumulator Li-Ion 7,2V zapewniający szybkie ładowanie i najwyższą gęstość energii

Product information

Features and benefits

- Modern lithium-ion technology ensures high efficiency of the battery
- Fast charging reduces downtime during operation
- The use of one type of battery for several devices increases the convenience of use and reduces costs
- The electronic system for deep discharge protection allows you to extend the battery life

Applications

- Designed to power Rawlplug series power tools
- Designed for use with Rawlplug series chargers

Corresponding products

- R-RAWL-SC40II Gas powered steel and concrete nailer
- R-WW90II Gas powered framing nailer
