

MN-03-460 Tool bag

Tool bag 610 x 300 x 280 mm for transporting longer tools

Features & benefits

- Made of special "Cordura" material, which provides high resistance to abrasion
- Reinforcement of seams with polyester tape enables the increase in bag's durability and service life
- 4 metal feet which increase the protection of the bottom of the bag against abrasion
- Bottom of the bag is covered with rubber which reduces its water absorption
- Has an attachable shoulder strap which increases transport comfort
- Zipper protects tools from dirt and moisture
- 27 different pockets which allow for the organised storage of a large number of tools and accessories

Applications

- For storing and transporting tools and accessories

Equipment

- Attachable shoulder strap

Users

- DIY enthusiasts
- Mechanics
- Fitters
- Electricians
- Joiners
