

MN-91-138 Cordless impact drill-driver 18V; 40NM

Impact screwdriver compatible with Modeco System 18V batteries designed for driving screws and bolts and drilling in metal and wood

Features & benefits

- Power tool compatible with Modeco System 18V batteries
- 13 mm single-thread drill chuck
- Two gears allow the speed and torque to be adjusted to the work being performed
- 15 positions of the coupling allows optimal selection of torque for screwing in various sizes of screws and screws depending on the type of material
- The hammer drilling function allows you to make holes in brick and hollow blocks
- Ergonomically placed direction of rotation switch (left/right) allows the user to quickly change between screwing in and screwing out
- Electronic protection stops the tool if the drill bit is stuck in the material in order to protect the user and the tool (motor and battery)
- The LED illuminates the workplace
- Holder for suspending the screwdriver on the belt facilitates work in places where it is not possible to put the device down.
- Has the option assembly on the right or left side of the device for right- and left-handed users
- Rubber-lined, profiled handle increases grip and work comfort
- Comfortable and lightweight construction reduces fatigue during long-term work
- Modes of planetary gear are made of high-quality steel, which influences the service life of the tool
- Two Li-Ion batteries with 2.0 Ah capacity and a quick charger (45 min) in the set guarantee uninterrupted operation
- Carrying case enables easy transport of and provides convenient storage space for the tool and all its accessories

Applications

- Intended for drilling e.g. in metal, wood or plastics
- Intended for occasional drilling in brick and building blocks
- Intended for screwing bolts and screws

Equipment

- MN-91-138 Cordless impact drill-driver 18V; 40NM
- MN-91-131 Two Li-Ion batteries, 18 V, 2.0 Ah
- MN-91-135 quick charger
- 6 tips with a magnetic shank
- 6 metal drills
- Belt strap
- User manual
- Carrying case

Users

- Fitters
- DIY enthusiasts
- Mechanics
- Electricians
- Carpenters
