

MN-55-519 Ratchet wrench for sockets 1/2" 48 teeth

1/2" ratchet wrench of Cr-V steel, 48-teeth,

Features & benefits

- Chrome-vanadium steel design ensures high durability of the tool
- Satin and polished surface of the key protects it from corrosion
- Ratchet with 48 teeth enables operation every 7.5 degrees
- Two-component soft handle provides better and more comfortable grip
- Thanks to the built-in switch, the ratchet allows both loosening and tightening of bolts or nuts

Applications

- Designed for all kinds of mechanical and assembly works
- The ratchet is double-sided, so by turning the ratchet handle we can tighten or loosen the screws and nuts

Users

- Mechanics
- Fitters
- DIY enthusiasts
