

MN-68-608 Backing pad for angle grinders

Backing pad 125 mm with M14 thread and velcro fastener

Features & benefits

- High elasticity of the disc increases its durability and enables it to get to hard-to-reach places
- Velcro fastener allows you to replace the paper quickly
- Diameter - 125 mm - enables it to be used with the most popular angle grinders on the market
- Thread size M14 allows you to use it with all angle grinders on the market

Applications

- For grinding and polishing depending on the type of paper or felt
- Intended for using with angle grinders

Users

- DIY enthusiasts
- Tinmen
- Varnishers
- Joiners
- Fitters
